

Trekking Oil Protector

Impermeabilizante y lubricante

Waterproofing and moisturizing

TARRAGO®

the leather care

TTS06

DESCRIPCIÓN
DESCRIPTION

Tarrago Trekking Oil Protector es un spray impermeabilizante y lubricante, especial para proteger el calzado y prendas de piel engrasada, nubuck y pieles enceradas. Su eficaz fórmula protege de la lluvia, de la humedad y la grasa sin alterar los colores ni las propiedades de transpiración originales de los materiales.

Tarrago Oil Nano Protector is a waterproofing and moisturizing spray specially indicated to protect garments and footwear of oily or waxed leathers and nubuck. Its efficient formula provides protection against rain, wetness, dirt and oils, but it doesn't alter original colors or breathability.
